Sir:

This is in response to the final Office Action mailed April 15, 2005 setting a period for response due on July 15, 2005, and to the Advisory Action mailed October 4, 2005. A Petition for a Third Month Extension of Time, together with the requisite fee, is enclosed thereby extending the response due date to October 15, 2005. This Amendment is timely filed by October 15, 2005 to place the application in condition for allowance based upon allowable claims in the final Office Action, and entry thereof is respectfully requested.

The Examiner approved this Amendment and the claim amendments concerning compliance with the objections, and entry thereof when submitted to the USPTO, pursuant to a telephone conference with the undersigned on October 13, 2005. Entry of the claim amendment is respectfully requested, because the claim amendment cancel rejected claims and amend objected to but allowed claims, so that only allowable claims remain pending, thus, placing the application in condition for allowance.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.
